ARSHAM OMIDINEZHAD

WEB ONE • FULL-STACK WEB DEVELOPER

WordPress Specialist | Custom PHP Development | Web Systems

Andisheh, Shahriar, Iran • 09201386876 • aajjss.arsham86@gmail.com

PROFILE

Web developer with 3+ years of hands-on project experience, focused on WordPress websites and custom PHP-based web systems. Experienced in transforming business requirements into practical, responsive interfaces and management workflows. Responsible, detail-oriented, persistent and a fast learner.

PROJECT EXPERIENCE

Custom Cafe Ordering & Management System
CURRENT — Developing a custom PHP system for digital cafe menus, smart customer ordering, order management and operational workflows.

Gym Fingerprint Management System
PROJECT — Built a dedicated system for fingerprint-device workflows, attendance, membership/tuition control and access tracking, plus a separate advanced device-management application. Capable of connecting local web systems to compatible fingerprint devices.

IQ Academy — iqacademy.ir
2022 / 1401 — Designed and developed a WordPress website for education in intelligence and analytical aptitude. No longer providing maintenance.

Exir — Perfume & Fragrance Store
2023 / 1402 — Designed and developed a WordPress e-commerce website for perfumes and fragrances. No longer providing maintenance.

EDUCATION

Diploma — Mathematics & Physics
12th grade diploma • Currently continuing higher education
